

We will limit descriptions to those scents whose names do not immediately suggest their fragrance and/or to those whose aromatherapy benefits or other features are noteworthy.

Apple Pie

#3 in sales. The aroma brings an instant feeling of comfort and pleasure. Yummy.

Bay Winds

#6 in sales. Breezy fresh kissed by lemon. A perfect choice if you're not sure.

Bayberry

Popular since Colonial days. Joins Christmas Tree and Sugar Cookie as a traditional holiday favorite.

Bergamot

#1 in sales. Derived from Italy's Bergamot Orange and used in Earl Gray tea. Great for fighting stress and promoting sleep. The **Queen of Calm**

Black Cherry

Smells like a handful of fresh cherries, not a bottle of cough syrup. There is none better than ours.

Butter Rum

A rich caramel scent that will warm even the coldest day. One of Essie's favorites.

Caribbean Sun

If you like Pina Colada and making love in the rain, try our blend of coconut, guava and pineapple. **Top 20**

Chocolate Fantasy

Chocoholics can gorge for 0 calories! Order our toppers in Chocolate Fantasy for use on a dessert buffet table.

Christmas Tree

Smells better than the real thing and is also great for asthma because of its pure balsam oil. **Top 20**

Citrus Blast

A refreshing blend of citrus notes that smells more "fresh" than "fruit". Almost as good as opening all the windows!

Cotton Blossom

A member of the clean cotton and linen family, this "fresh" is popular with folks of all ages. **Top 20**

Frankincense

#2 in sales. Joins Bergamot as a heavy-hitter for fighting stress and promoting sleep. The **King of Calm**

Freesia

A delicate fragrance and color. Popular in bridal bouquets and home gardens.

Fresh Air

Another clean cotton and linen scent. Less sweet and more robust than Cotton Blossom. **Top 20**

Grammy's Spice

#9 in sales. Highly aromatic comfort scent that blends several spices with a more subtle note of oranges.

Gulf Breeze

Ozonic fresh with a clean, pure finish. **Top 20**

Hawaiian Ginger

When you step off the plane in Hawaii, this fragrance is what fills the air. **Top 20**

Jasmine

A Confederate Jasmine, very full throated without being overly sweet. **Top 20**

Lavender

#10 in sales. A French Lavender, very effective in fighting stress.

Lilac Bush

#5 in sales. The best lilac you're apt to smell. Just like the real thing, only better!

Peace

#8 in sales. A blend of pink lime, bergamot leaves, tangerine, cinnamon bark, limewood, sage, vetiver and orange flower. The result is spectacular!

Peppermint

One of the most effective aromatherapy fragrances for asthma, migraine headache and sinusitis. **Top 20**

Pineapple Passion

So close to the real fruit in fragrance, your mouth will water.

Rain Forest

A scent of rebirth. Earthy, dense, bursting with dew and freshness. **Top 20**

Rose

#4 in sales. Not the perfumey, nauseating rose candles you may have smelled before. This is a real old-fashioned flower from Grandma's garden. Awesome.

Sage & Citrus

A well-rounded, herbal scent good for asthma, coughing and sore throat. **Top 20**

Vanilla

#7 in sales. A vanilla bean or fresh vanilla extract.

Waterfall

A pure "fresh" that is so laid back it can be used on the dining table. Won't compete with food. **Top 20**

Unless your monitor is color-calibrated, the actual candle color will vary somewhat from the swatches above.
