 * Special order.

We will limit descriptions to those scents whose names do not immediately suggest their fragrance and/or to those whose aromatherapy benefits or other features are noteworthy. For our Aromatherapy Chart, please see our home page.

Apple Pie

#3 in sales. The aroma brings an instant feeling of comfort and pleasure. Yummy.

Bay Winds

#6 in sales. A breezy fresh kissed by lemon.

Bayberry

Popular since Colonial days. Joins Christmas Tree and Sugar Cookie as a traditional holiday favorite.

Bergamot

#1 in sales. Derived from Italy's Bergamot Orange and used in Earl Gray tea. Very calming.

Black Cherry

Smells like a handful of fresh cherries, not a bottle of cough syrup. There is none better than ours.

Butter Rum

A rich caramel scent that will warm even the coldest day. One of Essie's favorites.

Caribbean Sun

If you like Pina Colada and making love in the rain, try our blend of coconut, guava and pineapple. **Top 20**

Chocolate Fantasy

Chocoholics can gorge for 0 calories! Order our toppers in Chocolate Fantasy for use on a dessert buffet table.

Christmas Tree

Smells better than the real thing and is also great for asthma because of its pure balsam oil. **Top 20**

Citrus Blast

A sinus-clearing blend of citrus notes. Very popular.

Cotton Blossom

A member of the clean cotton and linen family, this "fresh" is popular with folks of all ages. **Top 20**

Frankincense

#2 in sales. Joins Bergamot as a heavy hitter for fighting stress and promoting sleep.

Freesia

A sweet but laid-back floral. Popular in bridal bouquets and home gardens.

Fresh Air

Another clean cotton and linen scent. Less sweet and more robust than Cotton Blossom. **Top 20**

Grammy's Spice

#9 in sales. Highly aromatic comfort scent that blends several spices with a more subtle note of oranges.

Gulf Breeze

Ozonic fresh with a clean, pure finish.

Hawaiian Ginger

When you step off the plane in Hawaii, this fragrance is what fills the air. **Top 20**

Jasmine

A Confederate Jasmine, very full throated without being overly sweet. **Top 20**

Lavender

#10 in sales. A French Lavender, not quite as sweet as the English but very effective in fighting stress.

Lilac Bush

#5 in sales. The best lilac you'll ever smell in a candle. Just like the real thing, only better.

Peace

#8 in sales. A blend of pink lime, bergamot, tangerine, cinnamon bark, limewood, sage, vetiver and orange flower. Heaven!

Peppermint

One of the most effective aromatherapy scents for asthma, migraine headache and sinusitis. **Top 20**

Rain Forest

A scent of rebirth. Earthy, dense, bursting with dew and freshness. **Top 20**

Rose

#4 in sales. Not the perfumey, nauseating rose candles you may have smelled before. This is a real flower from Grandma's garden. Awesome.

Sage & Citrus

A well-rounded, herbal scent good for asthma, coughing and sore throat. **Top 20**

Strawberry

So close to the real berry in fragrance, it will make your mouth water.

Vanilla

#7 in sales. A vanilla bean or fresh vanilla extract.

Waterfall

A pure "fresh" that is so laid back it can be used on the dining table. Won't compete with food.

Unless your monitor is color-calibrated, the actual candle color will vary somewhat from the swatches above.
